## COVID 19 & CANCELLATION POLICIES:

Annalee will do everything within her power to accommodate her bride/s who are affected by COVID 19 restrictions and the potential of rescheduling their wedding date.

If your new date which you wish to postpone to is not available, you will instead receive a credit for the full amount you have paid, to redeem towards a new booking. If you are not postponing and cancelling your booking, then the standard cancellation policy will remain where the deposit is non-refundable due to administration fees, loss of income and reserving that date from other potential work.

If Annalee is unable to perform her services for any reason including but not limited to sickness, accident, weather, acts of God etc., Annalee will provide a replacement artist (to her similar standards) including a full refund.

Subject to change based on the rules or mandates outlined by the New Zealand Government:

If Annalee is able to operate safely within the guidelines of New Zealand Government traffic light or alert level system (level 1 & 2) bookings may proceed and will be expected to do so. NZ Border/ Quarantine restrictions/ Gathering limit restrictions do not permit Annalee from being able to operate, so therefore bookings will be expected to proceed. Your booking and any monies paid towards it are non-refundable and non transferrable, if you wish to cancel or postpone and the standard cancellation policy shall apply for that date/booking.

In the event that your wedding or event cannot go ahead due to a level change ie - level 3 or 4 where Annalee isn't legally able to operate or travel to your location. Your booking fee will then be held in credit for 12months and can be used towards any service but only for the original client. New season pricing may apply.
